SPEAKER: Of course, it is always possible, I presume, to cancel the hearing by suspension of the rules but--

SENATOR SYAS: Senator Cavanaugh wanted this date. I gave it to him. I am all set to hear his Election--

SPEAKER: Now, it's Thursday, isn't it. Now Senator Cavanaugh is here. I suggest, Senator Syas, that unless Senator Cavanaugh has some objection you get together with him and see if there is anything the two of you can work out. Senator Cavanaugh.

SENATOR CAVANAUGH: Well, I had lined up people to be here, Wednesday but--or Thursday but I don't really have any strong objections.

SENATOR SYAS: My personal opinion is that we should go ahead with the Election bill and anybody that shows up from this other thing, whatever it is, I'll just tell them that that was just an error and let it go at that and hopefully in the meantime that the press will call attention to the general public that LB 198 is Election bill to be heard Thursday and not this other thing.

SPEAKER: I believe, Senator Syas, that would be satisfactory if that is satisfactory with you, Senator Cavanaugh.

SENATOR CAVANAUGH: It certainly is.

SPEAKER: Alright, let's do it that way then. Now we are ready to go to Select File unless there is something else to take up.

CLERK: Mr. President, there is a---

SPEAKER: Yes, let's go to Select File.

CLERK: Mr. President, there is a request to bracket indefinitely LB 204.

SPEAKER: The chair would remark, I believe this is Senator Carpenter's bill. He is gone for the week, I believe and this request is to bracket indefinitely which I suppose is tantamount to postponing indefinitely, while you say it is to bracket so that it can be taken up at any particular time. Is the motion to bracket indefinitely? Senator Snyder.

SENATOR SNYDER: Mr. Speaker, that's my request and I didn't put a date on there. My idea was to allow Senator Carpenter to return from his junket and have a chance to--

SPEAKER: I believe, Senator Snyder, the proper motion would be to bracket.

SENATOR SNYDER: If you would like a specific date, I would settle for one week. That would make it--

SPEAKER: Well, it doesn't make any difference. If you bracket it, then it is my understanding you can take it up at any time.

SENATOR SNYDER: Right, but I just wanted to make sure that Senator Carpenter is here before we tried to touch the bill.

SPEAKER: Well, I think a motion to bracket would be--

SENATOR SNYDER: Let's make it one week.

SPEAKER: To bracket for one week from today, that would be to take up next Monday.

SENATOR SNYDER: Correct.

SPEAKER: Alright.
